Dear students and parents,

On Monday, we will begin our **Bring-A-Friend Week**. This is an excellent opportunity for students to introduce their martial arts training to a friend. Your friend may be a friend, a parent, a teacher, an aunt or uncle, a neighbour – anyone you know who would like to try the martial arts. Tell them to wear track pants and a t-shirt and come out and have fun.

You may bring as many friends to your class as you want, or send them to any of our regular classes in jodo, karate or aikido. Friends who are less than 18 years old should have their parents sign the form on the bottom of this page and bring it with them to the dojo. Additional waiver forms are available at the dojo.
